# Q

## What happens when Independent Office, School, Janitorial & Furniture Supply Dealers in Northern California join forces?

# A

## YOU get the largest, locally owned, Independent Office, School, Janitorial and Furniture Supply Dealer in Northern and Central California!

We are excited to share that **Palace Business Solutions** has merged with **AAA Business Supplies & Interiors**. The merging of these companies opens a pathway for opportunities and advantages that were previously out of reach.

### TOGETHER WE HAVE:

- Greater purchasing power with our vendors
- A larger warehouse allowing us to stock more items
- The ability to reach farther with our delivery network
- Stronger resources to better serve our customers
- Increased capabilities in our Educational Furniture offerings
- An expanded team of individuals who bring their unique expertise to the company

As we continue to merge the companies, the way you order your office, school, janitorial and furniture supplies remain the same.

- **If you currently order through Palace Business Solutions, continue to do so.**
- **If you currently order through AAA Business Supplies & Interiors, continue to do so.**

Our new 2024-2025 Palace/AAA School Catalog is designed to assist Teachers and School Office Administrators in purchasing quality, affordable school supplies. It takes the guesswork out of choosing the right products for your office or classroom!

We look forward to partnering with you for the 2024-2025 school year and the new adventures this year will bring for us all.

*Built for Learning.*

---

Learning is not a one-size-fits-all thing. The same goes for the furniture that supports it. We've seen how the right tools can help spark inspiration for teachers and students. Because of this, we've never strayed from our focus. We don't make PreK-12 furniture as part of what we do. **It's the only thing we do.**

# Fellows Array

Array is the first system of its kind, where networked air purifiers and commercial HVAC work in complementary harmony throughout your entire space.

**Seamless & Scalable Integration**

Fits into existing spaces, while complementing HVAC systems. Array includes products designed for both drop ceiling and loft style open ceiling spaces, as well as wall and floor-standing units.

**Automatic Sense & React Technology with EnviroSmart™**

Proactively responds whenever and wherever clean air is needed. Equipped with our patented EnviroSmart™ Technology which includes a full suite of comfort and control sensors to continuously monitor Indoor Air Quality.

**Effective & Efficient Filtration**

All Array air purifier units include hospital grade H13 True HEPA filtration. The mixed-flow fan design maximizes air flow while delivering quiet operation. With one full year of filter life, there's less maintenance, less hassle.

**Monitoring & Real-Time Data with Viewpoint**

Array's intuitive monitoring and display technologies tell you the exact air quality status of your space in real-time and includes our cloud-based Viewpoint dashboard, where you can remotely monitor and adjust your Array system.
