

Diversey EasyPaks

Product overview by use category

Prepared Sep 23, 2025

EasyPaks are pre-measured, water-soluble cleaning packets designed to dissolve quickly and make fresh, consistent use-solution -- reducing measuring, waste and storage bulk. This guide groups the core EasyPaks products by where you use them and summarizes key benefits pulled from manufacturer and distributor literature. Always follow the product label and Safety Data Sheet (SDS).

Floors & Finish Care

EasyPaks Neutral Floor Cleaner (990653)

SKU: 990653

- Pre-measured packet dissolves to make neutral cleaner for high-gloss, alkaline-sensitive floors.
- Formulated to loosen/remove soil while protecting finishes and leaving no dulling film; often no rinse needed.
- Effervescing action ensures the packet dissolves completely; compact storage tub.

EasyPaks Neutralizer Conditioner / Odor Counteractant (990685)

SKU: 990685

- Neutralizes alkaline residue after floor stripping/cleaning; conditions floors for improved sealer/finish adhesion.
- Helps eliminate odors including urine on hard floors, grout and carpeting.
- Pre-measured packet dissolves in water for quick, consistent results.

Multi-Surface Cleaning

EasyPaks All-Purpose Cleaner / Deodorizer (990651)

SKU: 990651

- Concentrated, pre-measured packet that dissolves quickly and completely to make use-solution.
- Designed to loosen and remove stubborn soils on most hard surfaces: floors, walls, counters, stainless steel, concrete and more.
- Combines deodorizer with cleaning for fresh results; convenient, lightweight storage tub.

Broad-Surface Disinfection (Hard, Non-Porous)

EasyPaks Detergent / Disinfectant (5412135)

SKU: 5412135

- Cleans, deodorizes and disinfects hard, non-porous surfaces in one step.
- Effective against a broad spectrum of organisms and controls mildew when used as directed.
- Pre-measured packet simplifies training and reduces product handling.

Restroom Care

Crew EasyPaks Toilet Bowl Cleaner (CBD540731)

SKU: CBD540731

- Effervescent enzymatic/detergent blend dissolves rapidly and attacks organic waste and urinary salts.
- Contains no harsh acids or caustics; safe for plumbing and common restroom fixtures when used as directed.
- Drop-in packets minimize contact, mess and measuring.

Safety & Use Notes

Always review and follow the product label and current Safety Data Sheet (SDS). Some EasyPaks concentrates can cause serious eye damage or skin burns before dilution. Wear appropriate PPE when handling packets and mixing solutions; keep out of reach of children.
